

Comfort 30

Comfort 30, built 1974

Comfort 30 is one of the classic half tonners designed by the Albinsson Brothers in Arvika, Sweden. Approximately 700 yachts have been built

The Comfort 30 is a nice family sailingboat. She is not only fast, she is also steady and well planned yacht. There are five berths. The Comfort 30m was built with quality in every detail. The keel is lead.

Asked price is 240.000 SEK

This yacht is moored at Wasa in Södertälje just south of Stockholm, Sweden
